

Essentials at your fingertips

Versatile and smart, G-Snack Touch is the automatic vending machine designed to increase your profits in the most effortless and intuitive way possible by combining top-notch technology with SandenVendo's flagship cooling units.

G-Snack Touch, equipped with a user-friendly and commercially advantaging touch display with a multi-selection feature to persuade clients into buying more products, can accommodate a large variety of cold drinks, snacks and foods including fresh goods such as lunch boxes or salads on the go; its extreme flexibility allows G-Snack Touch to be suitable for installation inside automated shops as an Extra-Vending machine that dispenses merchandising items.
